

## Lawton Printers Receives Women-Owned Business Certification

**Casselberry, Florida, August 22, 2011 - Lawton Printers**, a business specializing in commercial printing, received national certification as a Women's Business Enterprise by the Women's Business Development Council of Florida, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the Women's Business Development Council of Florida is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.
