Orlando, Florida, August 8, 2010 - **Lawton Printers** received awards for all entries at the 2010 annual Florida Print Awards, the printing industry's largest and most prestigious statewide graphic arts competition. The **Printing Association of Florida** (PAF) presented the awards to elite Florida-based printing and graphic arts companies during a banquet on August 6, 2010 at the Loews Royal Pacific at Universal Orlando.

With hundreds of entries from printing and graphic firms across the state, **Lawton Printers** received six **Best of Category Awards**, four **Awards of Excellence** and one **Judges Awards**, plus the prestigious Trophy for **Best Process Color Printing** and a Trophy for **Best of Show Division I**.

"Other companies can talk about quality – we know we produce outstanding quality. And it's reflected in our wins," said **Kimberly Lawton Koon, President**. "Our employees work very hard to give each project same attention and care, and winning the overall Best Four Color Process Printing trophy is very gratifying for all of us at Lawton Printers."

George Ryan, president and CEO of PAF, added "year after year, the quality of the submissions for the Florida Print Awards increases, raising the standard to which they are held. It seems like we say this every year, but the judges remarked how they were, once again, impressed with the entries submitted by PAF members and also said this year's competition was the toughest yet. Lawton Printers should be very proud of their outstanding accomplishments."

The Florida Print Awards is the printing industry's largest statewide graphic arts competition. It recognizes individuals, companies and organizations responsible for the creation or production of print communications. The competition promotes excellence in the industry and recognizes companies and individuals who produce the best in print media.
